6. Clarifications:

The bidders are requested to go through the 'Scope of Work' and 'Terms & conditions' of the bid before submitting their offer/bid. Any clarification, if required, may be obtained prior to filing of bid from the contact person details of which are provided above. No claim whatsoever on such account shall be entertained by the ITD in any circumstances. The bidders shall physically inspect the work premises during working hours on working days and ensure the quantity and scope of the work before bidding.

7. Award of work :

The work will be generally awarded to a single qualified bidder, who has quoted the lowest price on the overall cost of entire work. The work cannot be awarded on piece-meal basis to different bidders as the component of works is the part of the whole work. However, the ITD reserves the right to reject any or all the bids without assigning any reason thereof.

8. Variation of quantity :

- (i) The quantity mentioned in the scope of work is approximate. The ITD or any authorized person reserves the right at the time of award and executing of the contract to vary the quantity specified in the scope of work without any change in the unit rate quoted and/or to cancel any work mentioned under the scope of work.
- (ii) The successful bidder to whom work is awarded shall be paid for the actual work completed and actual material utilized as per rate schedule furnished by the bidder.

9. Terms and conditions of Bid:

The terms and conditions of above bid are enclosed in the bid form, which is part and parcel of the bid document. The bidders should submit the bid form by duly accepting the ITD's terms and conditions of the bid as stipulated in the bid form. The bid submitted without the acceptance of the ITD's terms and conditions shall be summarily rejected.

10. No canvassing :

Canvassing in connection with the bids is prohibited and the bids submitted by the contractor who resort to canvassing are liable for rejection.

11. The ITD reserves the right to accept or reject any or all bids in part or in total without assigning any reason whatsoever.

Enclosures:

- 1) **Bid Form along with the ITD's terms and conditions (Annexure-I)** to be submitted by the bidders to the ITD
- 2) **Scope of Work (Annexure-II)**- to be duly filled in and submitted by the bidders
- 3) **Price Bid Form (Annexure-III)** to be duly filled in and authenticated to be submitted by the bidders to the ITD.

Annexure-I BID FORM

(The bidders should submit their acceptance only in Bid Form for the acceptance of the ITD's terms and conditions of Bid)

Name of the work:

Supply and Installation of Centralized Air-Conditioner Unit at 1st Floor, New CGO Complex, Block-B, NH-IV, Faridabad as per the scope of work attached.

ITD's Terms and conditions of Bid:

1. Rate / Price

- i. The unit rate to be quoted shall be unit rate and shall remain firm without the price variation clause. The bidders should not claim for any price variation / escalation.
- ii. The bid submitted with a price variation/escalation clause will be treated as non-responsive and shall be rejected.
- iii. Bid / rates quoted by the bidder shall remain valid for 120 days from the date of opening of tenders for the purpose of acceptance and award of work; validity beyond 120 days from the date of opening shall be by mutual consent. No price variation / cost escalation is accepted.
- iv. The rates quoted by the bidder should be inclusive of all the tax applicable, levies, excise duties, transit, insurance and freight and any other statutory levies etc.
- v. The Income Tax and any other taxes or charges as applicable will be deducted at source by the ITD from the successful bidder while making the payment.
- vi. The price quoted by the bidder shall remain firm during the entire period of contract and shall not be subject to variation on any account.
- vii. The bidder should quote the rate as specified in the scope of work. The bids submitted other than in the specified scope of work at **Annexure-II** shall be summarily rejected.

2. Execution of work:

- i. **Time period of completion:** The successful bidder shall execute and complete the work as per specification/Scope of work mentioned in **Annexure-II** to the satisfaction of the officer -in- charge **within a period of 8 - 10 days from the date of award of work.**
- ii. The successful bidder to whom the work is awarded shall have to execute the work as per the work order and the terms & conditions of this tender document.
- iii. The ITD is not responsible for the breakage/damage of any goods during the transit. In that case, it is the responsibility of the firm/contractor to whom the work has been awarded.
- iv. No extra cost shall be given for transportation; cost of labourers, insurance etc., as the rates quoted is all inclusive price.
- v. The contractor shall have to bring all the supporting materials for carrying out the

above work.

3. Variation in quantity/ scope of work:

The quantity mentioned in the scope of work is approximate. The ITD reserves the right at the time of award/execution of the contract to vary the quantity specified in the scope of work without any change in the unit rate. However, the payment will be made as per the actual material used and work done.

4. Liquidated damages

For delay in completion of work, the liquidated damage @ 1% of order value per day or part thereof subject to the maximum of 10% of the order value shall be deducted.

5. Extension of work completion time

Ordinarily no time extension shall be granted. However, under unforeseen site conditions, the contractor shall make proper representation to the officer-in-charge with reasons for the delay upon which the extension of completion time may be allowed by the officer-in-charge.

6. Payment terms

The Payment shall be made against the final bill within a reasonable time from the date of completion of the works to the satisfaction of the ITD/Officer In-charge in all respects and submission of completion certificate.

7. Completion Certificate

Within one month of the completion of the work the contractor shall furnish a certificate for such completion.

8. Guarantee Period

Guarantee period for the air-conditioner units and other materials supplied should be 12 months from the date of completion of the installation and for the compressors should be 60 months from the date of completion of installation for poor workmanship, poor performance, and in case of deficiencies are found during guarantee period, the same shall be rectified or replaced free of cost by the Contractors/Vendors at their own cost and risk.

9. Quality assurance:

The successful contractor should ensure the quality of material as per the requirement/discretion of the ITD and quality standards as specified by Government agencies.

10. Right to accept or reject tender

- (i) The right of acceptance of tender will rest with the ITD.
- (ii) The acceptance of the tender shall rest with the ITD which does not bind itself to accept the lowest tender and reserves to itself the authority to reject any or all of the tenders received without assigning any reason. Further, the ITD reserves the right to accept the whole or any part of the tender and tenderer shall be bound to perform the same at the rates quoted. All the tenders in whom any of the prescribed conditions are not fulfilled or are incomplete in any respect shall be liable to be rejected.

11. Insurance

Contractor shall at his own expenses carry and maintain insurance with reputed Insurance Companies for : (i) Employees State Insurance Act, (ii) workmen's Compensation & Employer's Liability Insurance, (iii) Any other Insurance required under Law or Regulations or by Owner during the period of supply and installation of centralized air conditioning unit.

12. Safety Regulations

Contractor shall adhere to safe construction practice and guard against hazardous and unsafe working conditions and shall comply with safety rules. The ITD shall not be held responsible for any accidents that occur due to unsafe practice of the persons employed by the contractor to carry out the work.

13. Other Important conditions

Before submitting their bid proposals, bidders shall carefully examine the site of the work to familiarize themselves with the site conditions which exist regarding present work to be executed, materials to be matched, precautions required, working space available and other conditions necessary to the making of the intelligent bids.

All the above terms and conditions of the tender as mentioned above AND included in the tender document are duly accepted.
